IV. New Business

A. Presentation of the following budgets

- **Pennie Alley – Library**

Alley increased the supply line by \$100 but otherwise her budget will remain the same. She voiced concern that if the Town did vote to move the Library to Gilford Butler School she may have to increase her operating costs. Alley then remarked the increase could be funded by book sales. Alley asked Thomas if the little red schoolhouse would remain as the warming shelter.

- **EMA -Betty Thomas**

Thomas replied that the warming shelter couldn't move to Gilford Butler School because it did not have a generator so the warming shelter would stay at the little red school house. Thomas asked if the 3% increase applied to stipends. Reitz replied yes. Thomas said other than that her budget remained flat. She will need to rent a trailer to transport the generator for maintenance. The cost of that is in her supplies line. The generator did not go in for maintenance last year because of covid. Gaudio offered to take the generator in on his trailer.

- **CEO/LPI - Mo Dube**

Dube was unable to attend.
