

Town Administrator's April Report

This month was a little challenging being quarantined because of Covid. Luckily, I was able to remote into my computer and was still able to work. We shut the office to the public for two days, then Phil kept the office open himself while I was in quarantine.

I submitted the final request for reimbursement to FEMA for expenses from March of 2020 to December 31, 2021.

I attend a General Assistance day long webinar on April 27th. I haven't processed General Assistance Applications in two years, so it was a good refresher.

The Town Report is mostly complete.

I have been working on renewing our Sam's Number. It expires on June 1, 2021.

Respectfully submitted,

Terri-Lynn Baines
Town Administrator
