

We Need Your Ideas

A SURVEY

for

South Thomaston Library /Community Center Facility Committee

At the Town Meeting of June 2021 residents of South Thomaston voted to build a Library /Community Center Facility. The Select Board then appointed a newly formed committee; The Library /Community Center Facility Committee. We, this committee, are asking for everyone's input to ensure the building will meet the community's needs now and in the future.

Your ideas and suggestions are important to the planning stages of this project.

The more input we get the better the planning will be for space usage.

We can do this together and be proud of our efforts and collaboration.

Please check mark on the line those services and activities you would like offered.

Add yours to the list.

Be heard.

Be part of the plan.
