Meet with Liz Jenkins, March 2, 2022

A town-wide survey created by this committee will soon be coming your way. This survey asks you to identify activities, room spaces uses, as well as any outdoor possibilities you would like to have included in the new South Thomaston Library and Community Center Facility. This important input will help guide the building plans, financial resources, seek professionals for this project, and give structure to our efforts. Date of the survey release is February 8th, 2022. Survey forms will be available in print at the Town Office and the Library. The on-line access is through the survey link listed here.

The Survey submission must be submitted by **March 31, 2022**. Thank you!

Our committee meetings convene every 1st Wednesday @ 6PM, monthly. Meetings are conducted via ZOOM until otherwise informed. Topics for our next meeting are Rollout of the Survey, Reviewing Communications Efforts in the Future, and the upcoming meeting with Liz Jenkins. The next meeting is March 2, 2022. Our meetings began in November of 2021. We are eager to share monthly updates throughout the life of this project with all. The ZOOM site is listed with email addresses at the bottom of this page. All are very welcomed to join the meetings.

The Committee has invited Liz Jenkins to speak with the group Wednesday, March 2nd, 2022. Liz will present her highly successful fundraising campaign; the Area Interfaith Outreach (AIO) in Rockland, Maine. Liz graciously offered a tour of the AIO to our committee members February 9, 2022 @ 4:30PM. Members available will meet to view the site and glean guiding facts to promote fund raising and all its facets needed.
