To All South Thomaston Residents

The South Thomaston Library and Community Center Facility Committee needs your help! Please be sure that everyone in your household fills out the survey outline your ideas for **the** new Library and Community Center Building. The **deadline** for submitting surveys is **March 31, 2022**. We've got a really good start but we need more of you to weigh in! Thanks so much.

The Survey submission must be submitted by **March 31, 2022**. Thank you!

On **March 2**, the Library / Community Center Facilities Committee heard an excellent presentation by Liz Jenkins, former Board Director of the Area Interfaith Outreach program (AIO). Liz clearly laid out the process used by AIO Board to raise the \$1.4 million dollars for their new building in Rockland. She talked us through a comprehensive power point presentation and timeline for their project, and encouraged our committee to prepare well for the challenge ahead. If anyone would like a copy of Liz's presentation please email Sandy Weisman at sandy.weisman2@gmail.com.

On **April 6**, South Thomaston's Library and Community Center Facilities Committee and Selectboard will meet with Town Attorney Kristin Collins to discuss questions and issues about the contemplated nonprofit corporation (501 c3) for the purpose of raising money for the new Library and Community Center building.

We expect that some of you will want to listen to this discussion. The meeting will begin at 6 pm on April 6 at the Town Offices.
