II. Adjustments to Agenda

There were no adjustments to the agenda.

III. Public Comment for Items not on the Agenda

Pratt announced at last night's meeting the Conservation Commission elected Henry Spencer as Chair, Sondra Wallace as Vice Chair and Linda Garat as Secretary.

IV. New Business

a. Workshop Regarding Community Resilience Partnership

Pratt attended a Maine Climate Council meeting in Augusta. She would like the Town to join the Community Resilience Partnership. The goal of the program is to help municipal and tribal governments reduce carbon emission, transition to clean energy and become more resilient to climate change effects such as extreme weather, flooding, rising sea levels, public health impacts and more by providing grants and direct support.

There are several steps the Town would have to take to join the Partnership. A Service Provider will help facilitate the Town's enrollment into the program. Meg Rasmusen is the Town's Service Provider.

The Selectboard discussed with Pratt many projects that could perhaps be pursued.

The Selectboard will set up a future workshop to meet and discuss the program with Meg Rasmusen.

V. Adjourn

Northgraves moved and Snow seconded a motion to adjourn at 5:04 pm.

Motion passed 3-0.
