

South Thomaston Community Center/Library Facility Committee

Minutes: February 7, 2022

Zoom

Present: Sandy Weisman, Gabe Tomasulo, Moira Paddock, Maureen Spencer, Marcia Turner, Anne Just, Candace Smith and Pennie Alley (ex-officio, non-voting)

Public: Elizabeth Lunt, Sally Merchant

The meeting was called to order at 6:10 pm by G. Tomasulo and S. Weisman (co-chairs).

S Weisman will take minutes.

Several adjustments were made to the agenda, including approving the online survey, and looking again at the hard copy survey to make certain they both read exactly the same.

The purpose of the meeting was to approve the first Monthly Update of the committee's work, the online SurveyPlanet survey, and to look again at the hard copy of the survey.

M Paddock noted several changes in the Monthly Update - adding Center back into the title of the Committee, as well as a clarification about the upcoming March meeting with Liz Jenkins from the Area Interfaith Outreach organization in Rockland. Those changes were noted. M Paddock moved to approve the Monthly Update, G Tomasulo seconded. The motion was carried unanimously.

The online survey through SurveyPlant was the second order of business. One change was requested by G Tomasulo. That was completed. M Paddock moved to approve the SurveyPlanet survey. C Smith seconded that motion, which was carried unanimously.

M Paddock asked to revisit the hard copy survey. Several revisions were not included in the updated document. We went over those revisions to make sure that the hard copy survey and online survey were exactly the same.

Surveys will be available at Town Office, the Library. Information about the survey will be in the first Monthly Update from our committee, with the access link to the online survey. E Lunt asked about summer residents and how they would get the information about filling out a survey. She asked if there was any thought about reaching out to summer residents.

S Weisman asked that all committee members reach out to neighbors, friends, and relatives in town to ask them to fill out a survey. G Tomasulo suggested that in the email sent out through the town we include a sentence that encourages all to send the SurveyPlanet link to friends and neighbors who are not in South Thomaston in the winter. S Weisman asked for a motion to adjourn. M Paddock moved to adjourn. The meeting was adjourned at 6:41 pm.

Respectfully submitted.

Sandy Weisman
