

 **GBS RENOVATIONS**,page 3 

**First Floor**

**\*PRIORITY NOTE\***  
Recommended instead of MCF

- Community Rm. extended
- Kitchen upstairs
- Reuse the “old” Community Rm.
- Divide between the Library and Makers’ Space

**New Addition  
Community /Meeting Room**

- Add space to this room by using designated PATIO space.
- Add windows to the Southwest back wall of this room
- Larger Meeting Rm(Addition)

**Gallery Lobby**  
Corridor between Community Mtg. Addition Rm. & Conference Technology Rm.)

- Problem with size, location, and orientation
- Should be a FULL, bigger kitchen.
- Extend kitchen to incorporate one of the storage rooms for folding tables.
- Keep Storage Rm. at the front of the bldg., just off the Addition. Keep that for folding tables and chairs.
- Add new bathrooms. In the Addition
- (Gallery Lobby) with clean wall lines which move. Kitchenware to make kitchen slightly smaller.

**Conference Technology Center**

- What will be in this room?
- Plan for future technology needs, ie. number of computers, high speed internet, technology classes.
